ACTING ON YOUR VALUE

Values are for acting on! We're encouraging as many people to perform an action on World Values Day as possible. Although you don't have to wait until October 19th – you can make a start today and keep going through World Values Day and beyond. Here's some examples of what you could pledge to do:

Kindness: You could vow to let others take the last seat on the bus. You could pledge to watch out for those in urgent need and help, as simple as holding the door for someone struggling with bags or a buggy, or giving up your place in a queue.

Appreciation: You could decide to smile and thank one person every day for something they do. You could write notes of gratitude to family and friends either on social media, in a text, or write a letter.

Responsibility: You could pick one thing every week to buy more responsibly. You could nurture a new plant. You could think about three things you'd like to be take more care of in your personal or work life.

We value People... so we give people a meaningful voice on matters that affect them. #WorldValuesDay is tomorrow - get involved @ValuesDay
